Principals News....

Term Break

School term break begins today.

School will be closed for two weeks. We will re-open on Monday July 22nd.

Term Treat

Wednesday was our term treat. We enjoyed some Domino's pizza and had a relaxed afternoon. Well done to all our students who got to participate in the term treat. It was 100% of the school. It proves that our students always aim to do their BEST and follow our Duntroon values consistently.

Sports and activities Day

The Year 4-8 sports and activities day was yesterday. We hosted Waitaki Valley School for this. We always enjoy getting together with Waitaki Valley School. The activities throughout the day were fun for all. Thanks to Waitaki Boys High, Waitaki Girls High, St Kevins College, North Otago Rugby, Sport Waitaki and all the school staff for their assistance. Miss Borrie made an awesome sports quiz too – thanks Miss Borrie!

Sausages for term 3

In term 3 we will be offering a sausage and bread on a Friday. Attached to this newsletter is the form to complete if you would like a standing order for the term. Alternatively, you can get your child to collect a form at school. The sausages will start on the first Friday back in term 3 which is July 26th .

We are not doing pies this year. This was a huge task for staff to order, organise and heat the pies each week. This took up a lot of time. The fact that we have our pie warmer available every day, makes it convenient to all our families to bring something to heat up if they want to.

Have a safe and happy term break!

Communication with school

I think it's timely to tidy up how parents communicate with the school office.

If you have the need to communicate with the school about things such as after school arrangements, (including early pick-ups) sporting arrangements etc. Please read the options below.

In the first instance we would prefer one of the following:

- A written note. This is particularly useful as it can be given directly to your child's teacher and the teacher in charge of their bus.
- An email. We can simply print the email off and give this to your child's teacher or the teacher in charge of their bus.
- Skool loop communication. In Skool Loop you can choose the contacts option and send an email straight to our office email.

Texting

Texting the office phone may be the most convenient for parents but should be used as a last resort please. We are finding that the mobile phone is simply becoming overloaded with messages from parents that we in turn have to record/relay on in the form of a physical note.

Standing arrangements

We'd like to know in advance if there is a standing arrangement for your child regarding their transport. Once we have this standing arrangement, it will be recorded, and we can adhere to this. If there is a change to the standing arrangement, you can notify us via one of our preferred options. As we know, changes occur.

Lastly and one of the most important points – **DON'T** just tell your child of changes/plans/early pick ups etc. It is vital that the school is told, by a parent, every time. We appreciate your support with this moving forward.

Thank you. Mike and Staff.

Winter Warmer

Please complete this section if your intention is to have a standing order for the term.

Must be returned on or before Friday July 5th

Please make this a standing order and invoice me later in term 3 for food we have ordered throughout the term. (Please note all outstanding invoices must be paid for this to apply)

JULY HOLIDAY BASKETBALL TRAINING PROGRAMME

St Kevin's Basketball is excited to bring our July holiday basketball coaching programme to the community.

The programme will run in the upcoming July school holidays.

Coaching Sessions will be held at the St Kevin's College gymnasium (Monday 8th July to Wednesday 10th July)

This programme has been designed to enable young players (Years 7 - 8) in the Waitaki district to access high quality and specialised coaching without having to travel out of the area.

St Kevin's College Basketball head coach Jacob Fowler will head the programme, assisted by members of the St Kevin's College Top V Basketball team. This is a fundraiser to help the Top V Basketball team attend the South Island Secondary Schools tournament in September.

There is a special "Girls Only" session available for those girls that would like to attend this session.

Please complete the following form to register for the July holiday basketball training programme. The focus will be on specialist and up-to-date basketball training, developing ball handling, dribbling, and passing skills in a fun and supportive environment.

You can choose which sessions (two-hour sessions) you would like to attend at \$20 per session.

Payment needs to be made before attendance at the session(s) please.

Scan the QR code to register or visit stkevins.school.nz/bbtrainingprogramme to reserve your spot as space is limited.
